MEMORANDUM FOR : Security Officer, DPD

SUBJECT : PIC Request for OXCART Clearances

REFERENCE : PIC/D-18-60, 1 February 1960

25X1 1. [ ] advises that he has requested PIC to determine readout equipment requirements (lead times, costs and types, etc.) if the present Perkin-Elmer camera system is used on the OXCART program. [ ] states that this matter must be raised now in view of the long lead times required to procure specialized equipment. 25X1

25X1 2. [ ] states that [ ] is aware of OXCART due to his involvement in the preparation of a briefing paper for Mr. Lundahl. Further, 25X1 that [ ] probably will be called upon by Lundahl to work on the problem 25X1 mentioned in paragraph 1, above. Mr. James C. Cunningham advised that [ ] is aware of a CHALICE follow-on activity. In view of this, [ ] may be cleared for OXCART. 25X1

25X1 3. [ ] may require an OXCART clearance at a later date, but not at this time.

25X1 4. [ ] because of his position, may be given an OXCART clearance.
